Dear Andrew

On behalf of everyone at **Contact (Morpeth Mental Health Group)**, I would like to extend our sincere thanks to you and all at **SOS** for your fantastic support.

We are absolutely delighted with our new photocopier and greatly appreciate the prompt delivery and professional installation. Your colleague who delivered and set up the machine was exceptionally helpful — taking the time to ensure everything was properly installed and clearly explaining how it all works. It has already made a real difference to our day-to-day running!

We are also deeply grateful for your generous pledge of **£150 towards our Christmas Lunch**. Your kindness will help us bring a little extra warmth and joy to the people we support at what can be a difficult time of year. **Please see attached invoice** to Smart Office Systems Ltd.

Thank you once again for your generosity, efficiency, and continued support of Contact. It truly means a great deal to us all.

With warmest thanks and best wishes

Yours sincerely
